He pointed out that one 'YEP' programme by TCS and one 'Mahindra Pride Class Room' by Mahindra and Mahindra were successfully conducted during the year but student participation for both the programmes was not satisfactory. In view of the above the committee adopted the following resolutions in the meeting:

1. YEP by TCS group may be conducted after Semester VI Examination without hampering students' classes.

He highlighted that RICE had conducted career counseling programs in both 2021-2022 and 2022-2023. Seeking input from members on future career counseling endeavors, the convenor initiated a thorough discussion. Subsequently, the committee unanimously adopted the following resolutions:

1. Neighboring colleges may be invited to participate in our career counseling programs to enhance outcomes.
2. It was decided that as part of our outreach efforts, our teachers can visit nearby schools to conduct career counseling sessions and discuss our course offerings for students post-12th class.
3. Additionally, it was proposed that transportation should be provided for teachers serving as resource persons during career counseling programs at schools.
4. There was also a suggestion that young teachers should be encouraged to participate in these programs as they are often more knowledgeable in this area compared to senior teachers.
5. It was felt that organizing career counseling sessions for our 5th and 6th semester students is an urgent necessity.
6. In light of the above, it has been decided that external resource persons will be arranged separately for the three streams.
7. Due to the higher number of students in the Arts stream, the program will commence with this particular stream.
8. Honorarium will be provided to external resource persons in accordance with our college norms.
9. Lastly, it has been resolved to invite professionals from the banking and medicine industries to deliver motivational speeches to our students, outlining the opportunities available in these sectors.

Furthermore, personnel from MSME-Suri Branch, the District Employment Exchange, and any other relevant individuals may also be approached to discuss career counseling and related matters with the students.
