

# One Day International Seminar on “Emerging Trends in Biological Sciences”

8<sup>th</sup> November, 2022

Organised by  
**Department of Botany**  
**Suri Vidyasagar College**

## Objective of the Seminar

This seminar will bring students, teachers, researchers, academicians and industry experts on a common International platform to exchange knowledge, experience and research innovations for the betterment of human life. The objectives of this seminar are to provide an interdisciplinary forum for delegates engaged in the full spectrum of research, development, application and to discuss the current status and recent developments in Life Sciences and their allied fields. In addition, the Seminar will provide excellent opportunities to review the recent development and technological applications covering wide range of topics.

## Invitation from the desk of the Organising Committee

We have the honour and great privilege to inform all concerned, including Academicians, Researchers, Students from Under Graduate & Post Graduate levels from all parts of our country and abroad to attend the **One Day International Seminar on “Emerging Trends in Biological Sciences”**. **You are cordially invited to participate in this programme.**

### Keynote Speaker

**Dr. Rajib Roychowdhury**  
*Postdoctoral Visiting Scientist,  
Agricultural Research  
Organization, Israel*

Lecture Title

***A journey to make plants  
'climate-smart': from green  
to gene***

### Invited Speaker

**Dr. Sukhendu Mandal**  
*Assistant Professor,  
Department of Microbiology,  
University of Calcutta, India*

Lecture Title

***Exploration of the Early Life-  
forms for Better Future***

## Invitation for Abstract Submission

We cordially request you to send your abstract in prescribed guidelines from any field of work, but that research or review work should be relevant to the objective of this seminar and may fulfill the purpose of the title of the event. Further, also circulate and encourage your scientists, academicians and research scholars to submit abstracts for oral and poster presentations. ## Registration Fee

Participant Type	Within 01.11.2022
Student	INR 300
Research Scholar	INR 500
Faculty / Scientist	INR 600

## About the College

Suri Vidyasagar College, named after the famous social reformer, litterateur and dedicated for the women empowerment, Pandit Iswar Chandra Vidyasagar, has stepped into 80 years of its eventful glorious existence bearing all the storms and buffets throughout since its inception as a wing of Vidyasagar College, Kolkata in 1942. It achieved the dignified status of a Degree College in the name 'Suri Vidyasagar College' in 1948 under the affiliation of Calcutta University. The institute is affiliated to the University of Burdwan since 1960 and now a constituent College. I am Proud and honoured to be the Principal of the College whose illustrious alumni is the Pride of Bengal, Honourable Shri Pranab Mukherjee, the President of the Republic of India. Since its inception, Suri Vidyasagar College has committed itself to the goal of imparting higher education, ensuring quality education and providing research and extra-curricular activities in the best possible manner in order to spread the benefit of higher education in a location which is relatively backward but which has a glorious history. Our N.S.S. and N.C.C. wing are playing commendable role in social reforms and developing personality.

## About the Department of Botany

The Department of Botany has started its journey in 1952 and was upgraded to under-graduate Honours teaching department in 1975. Present student intake capacity of the Department is 46 and the department is imparting quality teaching as per CBCS Curriculum in UG Semester courses. The Department has a space of 1550 sq. ft. with well equipped laboratories. The main thrust area of teaching and research are Microbiology, Plant Physiology, Cytogenetics & Plant Biotechnology, Systemic Botany and Plant Pathology. Six faculty members with Two supporting staff are working in the Department. The Department encourages augmented learning apart from the prescribed curriculum. Intra and Inter departmental students' seminar, Quiz contests and Field visits are regularly conducted by the department. The department has distinction in having its alumni placed at various respectable positions within the Country and abroad. The department maintains a Medicinal Garden at the College Campus. "Habibur Rahman and Amena Khatun Memorial Scholarship" is given to the student of this Department who secures the highest marks / grade point in B.Sc. Botany Honours examination conducted by the affiliating University.
