## GREEN POLICY

Green audit or environmental audit and energy audit are general terms that can reflect various types of evaluation intended to identify environmental compliance and management system implementation gaps with related corrective measures. Green audit and energy audit are meant to analyse sustainable environmental usage and eco-friendly ambience. Suri Vidyasagar College has adopted a green policy with the following features:

1) The college will undergo green audit at the end of every academic year (July - June) with the methodology being filling up of questionnaire, physical inspection, observation and review of documentation data, data analysis and measurements and recommendations for better future practices.

The aim is to preserve a clean and green campus with water conservation, tree plantation, waste management, focus on solar power and movement towards paperless work.

- 1) The environmental Committee monitors the overall audit process.
- 2) All stakeholders including students, teachers and non-teaching staff take part in all green activities such as tree plantation both inside in outside the campus.
- 3) Regular maintenance of biodiversity register.
- 4) Annual analysis and measurement of carbon neutrality, water footprint etc.
- 5) Measurement of water consumption and conservation.
- 6) Energy conservation and using of non-conventional energy sources.
- 7) Awareness camp, seminar, workshop etc. on environmental issues.
- 8) Controlling air, water, soil and sound pollution.
- 9) Ban on plastic through notification of college campus as plastic-free zone.

10) Preventing vehicular pollution by encouraging carpooling, use of public transport and non-polluting vehicles such as bicycles.

Suri Vidyasagar College eEnvironmental Committee organises and monitors all green activities which can take place both inside and outside the campus. The Nature Club depends upon the whole hearted involvement and passionate activity of the students. Green activities are also done in collaboration with other departments such as NCC and NSS.
