## প্রবন্ধের বিষয় - শ্রীমতী বিবেকানন্দ

### এক সর্বজনীন কর্ম

ঐতিহাসিক অথবা তখনকার কালের কথাই জানতে পারলে আমরা জানতে পারতাম যে শ্রীমতী বিবেকানন্দ একজন অসাধারণ ব্যক্তি। তিনি ১৮৬৩ খ্রী: ১২ জানুয়ারী জন্মগ্রহণ করেন। তাঁর পিতার নাম ছিল বিষ্ণুনাথ দত্ত এবং মাতার নাম ছিল সুব্রতেশ্বরী দেবী। বিবেকানন্দর পিতা ছিলেন একজন বিখ্যাত ব্যক্তি। এছাড়াও তাঁর মাতা ছিলেন একজন সুশ্রীতি।

বাল্যকাল হতেই শ্রীমতী বিবেকানন্দ অত্যন্ত সুশ্রীতি ছিলেন। তাঁর নাম ছিল তখনকার কালের মতো। তাঁর মা তাঁকে গিয়ে বলেছিলেন যে, 'ছোটবেলায় গিয়ে তখনকার অত্যন্ত সুশ্রীতি ছিল তিনি। পড়াশোনার ক্ষেত্রেও তাঁরই ছিল। বিবেকানন্দ মাতা কায়ে হতে সুশ্রীতি করত হলে তাঁর মা তাঁকে মঙ্গল মন্ত্র দিয়ে তাঁর মাতা দেবী হতে চানত; 'শিব শিব শিব' বলে মন্ত্র দিয়ে, তিনি হিন্দুধর্মের ইতিহাসের কথা পড়াশোনা করেন তাঁর পর প্রায়শই পত্রিকা প্রথম থেকে আদিতে হলে প্রায়শই জন্মের উদ্দেশ্যে ২৩।

বিবেকানন্দ ছিলেন একজন সুশ্রীতি, অসাধারণ মনোবল, স্বাধীন চিন্তাশক্তি।

Swami Vivekananda and Universal Religion  
Born in 1863 in Kolkata (British-Calcutta). Father Vishwanath Dutta and mother Bhulabai Shewari Devi. Vivekananda's childhood name was Narendranath Dutta.

If we have enough to say about him his statistics which we could get from his Chicago first address - My Sisters and Brothers of America. The "burning bright" of among the galaxy. We could feel and see also by ~~his~~ reading his life history see that the ~~universal~~ spirit of Universal Brotherhood was bottled in his heart.

Narendranath born in a Kayastha family in Calcutta his father - Vishwanath Dutta being attorney of Calcutta high court and mother being a housewife. ~~He~~ ~~felt~~ Among the nine ~~sister~~ brothers and sisters Narendra was most restless and naughty in his childhood. Once his mother ~~too~~ ~~have~~ complained that she had prayed Lord Shiva to ~~be~~ with a child ~~to~~ and in turn Lord has send him one of his demons. His father though being one of the person having high economic background ~~but~~ he was too much kind and generous. Whenever he felt or see any ~~troubles~~ financial problem in neighbour

he was first ready to help out. Once Vishwanath's middle son - Mahendranath Dutta reported Warendra that ~~his~~ their father's expenditure in ~~and~~ maintaining his generosity is increasing day by day and sometimes his help is turning to be a bad addiction to many people of their neighbour. When Warendra reported his father about this incident the only thing he ~~say~~ said to his son that - he will never able to think <sup>about</sup> the pain that lies in the existence of life therefore to ~~is~~ suppress that pain he is so generous. Vishwanath's rationality and Bhuvaneshwar's spirituality later ~~foot~~ formed a great platform of ~~to the~~ ideas and thoughts of Warendra.

After leading his career life Warendra pursued to get first-class, which he only first achieved giving entrance examination in Presidency College. He passed B.A. ~~(Bachelor)~~ examination being student of History, Literature, Social ~~and~~ activity and ~~is~~ his ~~always~~ <sup>always</sup> depends upon the study of Vedanta and spirituality. He later joined But on the year he was preparing for F.A

Examination on his father. Vishwanath Dutta died. The entire family was on bankruptcy. For many a time he had heard about a priest living in Dakshineswar named Ramakrishna who had an vast spirituality and intellectual thinking. Thus the question arised in Narendra that how he could ever see and face God himself.

Debendranath of Tagore of Brahmo Samaj once getting acquainted with Narendra told that he has a 'Yogi's eye'. When he came to Dakshineswar along with his two friends he found Sri Ramakrishna being waiting for him and is ready to answer that he could able to envision the Almighty in the same way he could see Narendra. Being fascinated he frequently came to meet him to seek spiritual advices and practices. One day Narendra came to tell Ramakrishna that about their family financial problem to which they he wanted to solve. Hearing that Ramakrishna ordered him to pray before goddess Kali about his problem, but only because of his knowledge and devotion he could not utter a ~~few~~ any worldly feeling.

After the death of Ramakrishna which ended with spiritual advice i.e. to service to mankind is a ~~very~~ notable purpose to perform service to ~~God~~ God. And after

their Gurudev Sri Ramakrishna Paramahansa's death many of his disciples went to have family life. But Narendra and other few other disciples continued to follow the path led by their Guru.

Baburam one of the disciples & mother invited Narendra to come and stay in their house for a few days. Narendra accepted and on the Christmas eve they took vow in Baburam's house that they will be leading the life of monks and will set up Ramakrishna mission all over the world.

As they gathered altogether <sup>taking the name Swami Vivekananda</sup> and with Umrandak - water carrier and with a bag to seek Vilsha they began to travel all through India visiting different religious people, culture, and places of learning.

The next people of various religion. Once when he was at the way to Almorah on the way he meet a low caste Parsi's people having hookah but Swami's ~~was~~ felt to smoke but on thinking the man belonging to low-caste he returned, but thinking himself as a monk, who must not consider between any caste, or creed he came and by taking the hookah he smoked pleasantly.

Swami Vivekananda performed ayatan before Mosque, and also ~~attended~~ attended gathering at church in search of the Omnipotent, Omniscient and Omnipresent Almighty God.

But soon the ~~too~~ goal of Swami's came ahead as he heard of Religious gathering at Chicago, America, for which he was waiting for. In 1893 due to four hundred year of American Independence ~~he~~ they organised the Religious gathering for every religion. From Bombay Swami's ~~board~~ boarded in ship to America.

Reaching America he found that staying in Chicago is more costly thus he moved to stay in Boston. On the few day before 11th ~~to~~ September ~~1893~~ he reached Chicago and on the day the Religious Congress was about to held. ~~the~~

Three staged platform which the middle was allotted for the performer to deliver speech and ~~lecture~~ lecture on their respective religion. Swami's on ~~taking~~ knowing Mother Saraswati he ~~held~~ hailed the audience and other scholars as 'Sisters and Brothers of America'. On the ~~14th day~~ ~~1893~~ upon such address the

Applause last for minutes and he delivered  
the speech of upon a story of a frog of  
well and frog of sea. He described  
that the frog living in the well considered  
the well to be its world and he could  
not imagine beyond it. One day a frog  
from sea came to the well and told the  
well dwelling frog that the world is much  
bigger and vast than it could imagine.  
But upon falling the words on deaf ear the  
well frog turned out the sea frog. Thus  
Sramis described ~~the~~ every leaders <sup>from</sup>  
every religion lives in the well and consider  
it as their universe with own doctrine and  
principals but if they could think beyond  
it then only they could find the truth of  
that lies beyond God. In seeking finding  
the existence of God.

Every religion is like different  
streams originated from different source  
but it maybe it is straight or crooked but  
every stream develops tendency to move  
towards sea to meet sea. Similarly  
different religion may originate from

different place, may have different ideas, ideologies, concepts, logics but their ultimate goal is to achieve God.

He said Buddhism and Hinduism are inseparable and are the part of the same 'Brahma' and if tried to separate it will only cause havoc.

He said that he had not come to Chicago Religious Congress only to convert Christians to Hinduism but he has only come to only to develop - a Methodist to a more better methodist. Then at last he said to I love is only the best way for satisfaction not war. Hatred can be won by love and which only increase peace and prosperity of a nation.

Swamiji also said that it is not at all necessary to send missionary to India because India is the mother of all religion, his only objective to come into Congress is only to say about the poverty including food, clothing and shelter of Indians, because he thinks India has no religious poverty but a rich ground of world religion.

Then we could see Swami Vivekananda or the 'Bliss of Knowledge' is

He was not only a preacher of Hinduism but to  
 held India on a grand platform of higher  
 religious, Universal religion. ~~After~~  
 After he returned India from his first  
 Religious Congress ~~with~~ with a grand success.  
 He was accompanied by a Irish woman -  
 a activist and a teacher - Elizabeth Margaret  
 Noble, whose was attracted by Swami's  
 doctrine and principal in his universal  
 universal approach. Later she too  
 joined Ramakrishna Mission & with  
 the name of Sister Nivedita ~~to~~ ~~for~~ whom  
 Swami's ~~was~~ ~~appreciated~~ appreciated for women education.

In the year 1900 he again went  
 California ~~for~~ as his visit to America for  
 second time - as a reason to ~~see~~ ~~developing~~  
 visit and attend the religious conference  
 at Paris. From his speeches at ~~France's~~  
 capital Paris we could see Swami's showed  
 his anxiety about the European countries  
 are slowly and silently dragging towards a  
 war due to their excessive Capitalism  
 and colonies competition. And also we  
 could see after twenty year Europe ~~was~~  
 rage towards first World War.

Swami's could not sleep in  
 luxury bedding, supplied to him during these

Religious Congress. He left his ~~bed~~ luxury bed thinking about his poor, poverty stricken Indians who are his own brothers and sisters. After spending few times in the West with Sister Nivedita and Swami Vivekananda ~~to~~ he came back to India. But due to deterioration in health and due to ~~illness~~ illnesses like diabetes and other chronic disease he could not attend Congress of ~~Reli~~ Religious Congress at Japan. But he ~~was~~ moved about in India establishing Ramakrishna Mission, and Math.

Once in Lahore he met with his childhood friend Moti who was a organizer of Great Indian Circus. But Moti felt ~~was~~ extremely afraid to address his friend who gained international fame, but upon hearing the condition of his friend Swamiji; addressed him as Moti and ~~as~~ wanted his friend to address him as Naren as ~~earlier~~ earlier he ~~did~~ did.

When Swamiji was coming from West to India the ship stopped at Egypt's capital Cairo. When Swamiji wanted to visit Cairo he was accompanied by other devotees but a little forward Swamiji

Came to a lane where lived mainly bar-  
 maids and such standard woman. Case  
Swami Swamiji: The laughed and chattered  
 but Swamiji: addressed them in a tone of love  
 and compassion and was very sad finding  
 them in such a condition. When other devotees  
 came to be they found Swamiji's love  
 and compassion for them.

Once Swamiji was teaching  
 his devotee Sarat Chandra about Veda when  
Gresh Gosh came suddenly and after receiving  
Swamiji's Ved-description for sometime  
 he laid question before him that ~~how~~  
 what is to learn Ved when the other men  
 and women are suffering from poverty and  
 pain. To this slowly Swamiji's face turned  
 red and while shivering he moved out of  
 the room only to shed shed tears for his  
 fellow suffering Indians. Swamiji's heart  
 was daily increasing in size. Once he also  
 said that he has 'Condensed India'  
 in himself.

Swami Nischarananda do not  
 only has his believe and faith in Hindu  
 religion but he is such a man who could

say that first food and clothing is necessary then the words of vedas will only reach the ear of common people. Swamiji believed in the concept of Universal Religion and Brotherhood.

But the Gurus of Swamiji: Sri Ramakrishna Paramahansa Dev who views religion from closer vision, as like the Sri Dakshineswar Temple of Goddess Mother Kali and on the other side temple of Shiva and other part Radha Krishna temple, thus the three different aspects of Hinduism - about different section of both Shakta and other side Brahmin both is worshipped by him. And further he considered -

The river Ganga the flow never stop flow through every part of India being serving its water and fertile soil to all peoples of every religious, hardly rain still to itself remains pious.

Thus we could say being influenced by his guru - the 'Orange mould' or the 'Cyclonic mould' of India

become a universal figure with his  
universal concept of religion. Swami's  
strategic ~~idea~~ of universal  
brotherhood also could be compared  
with English Romantic poet -

P. B. Shelley. He too wanted to preach  
the concept of universal brotherhood  
he was against capitalism, colonialism,  
and luxury living. He too wanted to  
blow down the old conceptions of contemporary  
ideas and thoughts to bring out new  
ideas and new thinking to make a better  
world.

The great Hindu Sap. Orange  
monk died in 1903 as he earlier had  
prophecised not to cross forty year  
in 30 year of age he died while performing  
special yoga, the crown ~~was~~ nerve of  
of brain comes out to death.

He was such a leader who  
on one hand established world renowned  
Ramakrishna Mission, and on the other  
hand Universal Religion, which is not  
~~any~~ any distinction of mankind.

Swamiji: we see such a man who hate people calling themselves sinner, as human is not born sinner, ~~and~~ as he believed a man is like a gold, a pure gold from which different shaped ornaments are prepared. No man is sinner, a sinner. too have the seed of piety ~~ness~~ inside himself.

Swamiji: loved mankind.

irrespective of caste, creed, religion as he believed "Service to man is service to God." Thus he took initiative to service man, which even after his death performed by Ramakrishna Mission. Thus we could not call him a hindu monk but a Universal monk of every religion. Thus his - "Sisters and Brothers of America" is very apt and appropriate.

2. Dr. Nimai Chand Saha- Plagiarism as an infectious academic disease

Duration of the seminar- 1:00 pm till 05:00 pm

Dr. Anirban Paul of the Department of Botany started the proceedings with an opening song. The presenter, Mr. Sushanta Raha, Librarian talked about the virtues of the said seminar. Dr. Chattopadhyay spoke on Value Education. He said that the world is out of order and only dissemination of values can save us from such chaos. As natural problems are fundamentally caused by human actions, nurturing values will make us more responsible. Healthy humans and healthy nature are dependent on each other. He also said that religious value system is more philosophical and we, therefore, need an alternative secular value system that has a direct bearing on human living. Powerful people should have more self control and common people should be able to exercise their freedom of expression fearlessly. These are much needed not only for us but also to our next generation. Dr. Saha's speech was aimed towards treatment of plagiarism towards reaching academic integrity. He defined plagiarism and discussed the root causes of plagiarism. He reminded the audience that not going for higher research work was better than doing it poorly. He showed the various Government orders and Gazette notifications relating to plagiarism and discussed in details the penalties associated with the acts thereof. The talk was informative and focused elaborately on information sources and resources. Then the topics were opened for discussion. ## 5-DAYS WORKSHOP ON PERCEPTIONS OF WILDLIFE CONSERVATION OF TODAY'S YOUTH IN WEST BENGAL, INDIA, WITH A FOCUS ON MONITOR LIZARDS

### Background

Four species of monitor lizards are native to India, i.e.

- |  |  |
|--|--|
| 1. Bengal Monitor Lizard<br>( <i>Varanus bengalensis</i> ) | 2. Water Monitor Lizard<br>( <i>Varanus salvator</i> ) |
| 3. Yellow Monitor Lizard<br>( <i>Varanus flavescens</i> )  | 4. Desert Monitor Lizard<br>( <i>Varanus griseus</i> ) |

(Image source: Internet)

Even though these species are strictly protected in India, they are widely hunted and subjected to domestic use (meat, oil) and derivatives commercially traded (i.e., leather, medicines, medicines and witchcraft among others) in several parts of the country. Apart from the effects of modernization like habitat encroachment, deforestation and filling up of wetlands for agriculture, construction and other purposes on a regular basis, the exploitation of monitor lizards is considered another threat for the long-term survival of these iconic reptile species.

All these species are strictly protected under Schedule I, Part II of Wildlife (Protection) Act of India, 1972, and violation of the Act can yield an imprisonment from 3 to 7 years, along with a fine of 10,000 INR.

## Celebration of Bi-centenary Birth Anniversary of Iswar Chandra Vidyasagar

As a part of Celebration of Bi-centenary Birth Anniversary of Iswar Chandra Vidyasagar along with different programmes a seminar was organized on 26.09.2019 at Suri Vidyasagar College. Prof. Sekhar Bhowmik, Associate Professor of Vidyasagar College, Kolkata, delivered a thought-provoking lecture on "Bidhaba Bibaho O Swapno Bhongo" (Widow Remarriage and Dream Shattering), highlighting Vidyasagar,'s pioneering efforts in advocating for widow remarriage and women's empowerment in 19th-century Bengal. He emphasized how Vidyasagar's vision for a more equitable society was often met with resistance, leading to the "dream shattering" experienced by many reformers of that era. The lecture was enriched with insightful examples and anecdotes, making the event engaging and informative for the audience.

## SYNOPSIS OF THE LECTURE

SURI VIDYASAGAR COLLEGE  
17<sup>TH</sup> PROF. TARASANKAR BANERJEE ENDOWMENT LECTURE  
Organized by : Dept. of History

Place : Seminar Hall, Aurobindo Bhavan      Date : 8th Nov., 2019      Time – 11.30 a.m. -2.00 p.m.

Title of the Lecture :

### **Disease as a Metaphor: Changing Perceptions of Epidemics in Colonial India**

Diseases have always had a role in shaping the course of human history. Historians have been struck by the devastating impact of bacteriological invasions on society all the way from Periclean Athens through Black Death in the fourteenth century in Europe to Sub-Saharan Africa in the twentieth century. Unfortunately, despite the prevalence of epidemics in South and Southeast Asia, literature on disease and medicine still remains relatively scarce. India, for instance, has survived malaria, cholera, smallpox and plague in epidemic form throughout the nineteenth and twentieth centuries. But except a few monographs on some of the epidemics, we still lack a comprehensive account of the subject.

In my presentation, I would like to engage in two things: First, I will explore the differential perceptions of people to the epidemic diseases that ravaged India during nineteenth and twentieth centuries. And second, I will investigate the multiple ways in which the rhetoric of western medical intervention was contested by a popular construction of the diseases. I intend to view an epidemic and its prophylactics as functions of power and knowledge informed by the relationship between the ruler and the ruled in a colonial society.

## Report on Annual College Student Seminar at Suri Vidyasagar College

The Annual College Student Seminar at Suri Vidyasagar College was successfully held from 28.11.19 to 29.11.19, featuring presentations from both Science and Arts students. This year's theme, "Interdisciplinary Approaches to Contemporary Issues," aimed to foster collaboration and innovative thinking. Dr. Laxmi Narayan Mondal, Ex Professor of Zoology, Ex-Principal of this Institution and Controller of Seacom Skills University, Bolpur was invited as chief guest. Sri Susanta Raha, Librarian was conducted the two days session as anchor.

The seminar commenced with an inaugural address by the Principal Dr. Tapan Kumar Parichha, highlighting the importance of interdisciplinary learning in today's world. Students from various disciplines presented their research and projects, showcasing a wide range of topics—from environmental sustainability to socio-cultural dynamics.

Each session included interactive discussions, allowing students to engage with their peers and faculty. Noteworthy presentations included a study on renewable energy solutions and an analysis of the impact of social media on youth culture.

The event concluded with a panel discussion featuring faculty members from both streams, who emphasized the significance of merging scientific inquiry with artistic expression to address real-world challenges.

Overall, the seminar was a vibrant platform for students to share knowledge, enhance their public speaking skills, and promote an integrated approach to learning. The event received positive feedback and set the stage for future collaborations across disciplines.

been more fluid as mother can easily act as father or vice versa because men can do things that women do. The next speech was delivered by Dr. Dheeman Bhattacharya, Assistant Professor, Department of Comparative Literature, VB. He elaborated on the difference between equity and equality. Equity is more important. He spoke on the situation of women in Adivasi communities and showed us a district wise case study of tribal people, especially women. It had always been difficult to choose leaders from tribal communities because it enforces casteism. Lack of education is a major problem. Self help groups (SHGs) play an important role in financial and social upliftment. Tribal communities have unique professions but it is to be understood that the same profession cannot be applicable to all the under developed people of a particular cast. Criminalising tribal people can be considered a social evil. Interaction session between the participants and the resource persons took place after the deliberation was over. The participants enthusiastically asked questions and the resource persons answered with equal vigour. Finally the vote of thanks was delivered by Dr. Tapan Kumar Parichha. The seminar officially came to an end with light refreshment at 04:00 pm.

## আন্তর্জাতিক আন্তর্জালিক আলোচনাসভা

১৯৪৭ খ্রিস্টাব্দের বঙ্গভঙ্গ : সমাজ, রাজনীতি ও সংস্কৃতিতে অভিঘাত

১৩, ১৪ ও ১৫ই ফেব্রুয়ারি ২০২১

আয়োজক:  
ইতিহাস বিভাগ, সিউড়ি বিদ্যাসাগর কলেজ  
সহযোগিতায় : গ্রাম-জনপদ

১৯৪৭ খ্রিস্টাব্দ। স্বাধীনতা এবং দেশভাগ। পরিণতি আরেকবার বঙ্গভঙ্গ।

মানচিত্রের উপর টানা হল লক্ষ্মণরেখা। পশ্চিম সীমান্তের মতো ভারতের পূর্ব সীমান্তেও সৃষ্টি হলো এক দুঃসহ যন্ত্রনার পরিবেশ। ছিন্নমূল হলো লক্ষ লক্ষ মানুষ। পূর্ব বাংলা বা পূর্ব পাকিস্তান থেকে প্রায় ৫০ লক্ষ হিন্দু ভারতের পশ্চিমবঙ্গে এবং পশ্চিমবঙ্গ থেকে প্রায় ২০ লক্ষ মুসলমান অভিপ্রয়াণ করল পূর্ব পাকিস্তানে। বৃকের ভিতরের অনন্ত হাহাকাহ আর নিরবচ্ছিন্ন অপমান ও অসম্মান সঙ্গে নিয়ে এই মানুষরা তাদের পিতৃপুরুষের ভিটেমাটি চিরকালের মতো ছেড়ে নিরাশ্রয় হয়ে 'উদ্বাস্তু' তকমা অর্জন করে উপস্থিত হলো অজানা ভূগোলে। বেশি সংখ্যক মানুষ দেশত্যাগ করায় স্বাভাবিক ভাবেই এই বঙ্গভঙ্গ পশ্চিম বাংলাকে প্রভাবিত করেছিল বেশি। সেদিন থেকে এখনো এই 'উদ্বাস্তু' ও 'ছিন্নমূল' মানুষদের জীবনমথিত কাল্লা ও যন্ত্রণা দুই বাংলার ইতিহাস, রাজনীতি, অর্থনীতি, সাহিত্য-সংস্কৃতি এবং এমনকি ক্রীড়া জগৎকেও প্রভাবিত করে চলেছে। আর এই প্রভাব সম্পূর্ণ ঋণাত্মক নয়, বঙ্গভঙ্গ দুই ভূগোলেই একাধিক ক্ষেত্রে পরিবর্তনের পথ প্রশস্ত করেছিল।

দুই বাংলার ইতিহাস-সমাজ ও সংস্কৃতির অঙ্গনে ১৯৪৭ খ্রিস্টাব্দের বঙ্গভঙ্গের প্রভাব অন্বেষণের উদ্দেশ্যেই তিন দিনের এই আন্তর্জাতিক আন্তর্জালিক আলোচনা সভার আয়োজন করা হয়েছে।

এই আলোচনাসভায় আমন্ত্রিত বক্তা হিসাবে অংশগ্রহণ করবেন ছয়জন বিশিষ্ট গবেষক- ড. মোহাম্মদ হুমায়ুন কবির, ড.কৌস্তভ মুখার্জী, ড. সুশান্ত কুমার বর্দন, শ্রীমতী পিংকি মন্ডল, ড. প্রিয়দর্শী চক্রবর্তী ও শ্রীমতী শম্পা ঘোষ।

আলোচনাসভার দ্বিতীয় ও তৃতীয় দিনে নবীন গবেষকদের বিষয়-সম্পৃক্ত মৌলিক প্রবন্ধ পেশ করার সুযোগ থাকবে। আগ্রহী গবেষকদের [psm.history.svc@gmail.com](mailto:psm.history.svc@gmail.com) ঠিকানায় ৮ই ফেব্রুয়ারি ২০২১ তারিখের মধ্যে ২০০ শব্দের সংক্ষিপ্তসার পাঠানোর জন্য অনুরোধ করা হচ্ছে। সংক্ষিপ্তসার ইউনিকোড বাংলাতে লিখে পাঠাবেন, সঙ্গে দেবেন নিজের নাম, পরিচয় ও ফোন নাম্বার।

## State level seminar on Mahendranath Dutta Memorial Lecture

### **REPORT ON THE ONE DAY NATIONAL LEVEL WEBINAR ON “MAHENDRANATH DUTTA MEMORIAL LECTURE” ORGANIZED BY DEPARTMENT OF MATHEMATICS, SURI VIDYASAGAR COLLEGE**

A one-day national level webinar on 5<sup>th</sup> “Mahendranath Dutta Memorial Lecture” organized by Department of Mathematics, Suri Vidyasagar College, was held on 15.07.2021 from 11:00 a.m. onwards at Google meet. The resource persons were Prof. Arijit Ghoshal, Head of the Department of Mathematics, The University of Burdwan and Dr. Gaurav Varshney, Department of Mathematics, S.B.S.Govt. P.G. College (affiliated to Kumaon University Nainital) Rudrapur, Uttarakhand. The numbers of attendees were about 229 including faculty members, Non-teaching Staff and students.

The Topic of lectures was –

1. Prof. Arijit Ghoshal - AN INTRODUCTION TO NEWTONIAN MECHANICS
2. Dr. Gaurav Varshney - MATHEMATICAL MODELING OF BLOOD FLOW IN ARTEIAL SYSTEM

Duration of the seminar- 11:00 a.m. to 01:00 p.m.

The presenter, Dr. Sujoy Das, Assistant Professor & Head, Department of Mathematics talked about “Mahendranath Dutta Memorial Lecture”. He also introduced the resource persons of the webinar. Welcome address was delivered by the Principal Dr. Tapan Kumar Parichha. The principal presided over the webinar. Dr. Ramprosad Saha, Assistant Professor of Mathematics, Suri Vidyasagar College delivered the keynote address in which he emphasized the brief history on Mahendranath Dutta. The first lecture was delivered by Prof. Arijit Ghoshal, Professor and Head, Department of Mathematics, The University of Burdwan. He laid the foundation of the topic “AN INTRODUCTION TO NEWTONIAN MECHANICS” by defining the various terms in context, like; distance, time, and mass etc. He also describes (i) Law of inertia: A body remains at rest or in uniform motion unless acted upon by a force. (ii) Equation of motion: A body acted upon by a force moves in such a manner that the time rate of change of momentum equals the force. He talked about the basics of Newtonian Mechanics such as Newton’s Laws of Motion, Newtonian Kinematics, mechanics of a single particle, motion with a constant force, harmonic oscillator, charged particle in a magnetic field, momentum and angular momentum, Work, energy and potential forces, center of mass, reduced mass, one-dimensional conservative motions, systems with constraints and special co-ordinates, motion in a central field.

The next speech was delivered by Dr. Gaurav Varshney, Assistant Professor, Department of Mathematics, S.B.S. Govt. P.G. College (affiliated to Kumaon University Nainital) Rudrapur, Uttarakhand. He laid the foundation of the topic “MATHEMATICAL MODELING OF BLOOD FLOW IN ARTEIAL

SYSTEM” by defining the various terms in context, like; micropolar fluids, nonsymmetric stress tensor, Newtonian fluid etc. He also describes micropolar fluids, spin inertia, blood vessel. He also explained Mathematical model for the blood flow through an artery having mild stenosis, magnetic field of uniform strength of blood flow. Governing equations are explained using numerical finite difference method. The effects of various flow parameters on the Micropolar fluid model of blood flow are analyzed graphically. An important conclusion which is drawn from the solution of the present problem is that flow characteristic of blood is influenced by the presence of stenosis and externally applied magnetic field. Interaction session between the participants and the resource persons took place after the deliberation was over. The participants enthusiastically asked questions and the resource persons answered with equal vigor. Finally, the vote of thanks was delivered by Prof. Shebendu Ghosh, Associate Professor of Mathematics, Suri Vidyasagar College. The seminar officially came to an end at around 02:00 p.m.

## One day seminar cum workshop on National Academic Depository 21-05-2022 Report on the Seminar on NAD

A one-day seminar-cum-workshop on National Academic Depository was held on 21st May, 2022 at Suri Vidyasagar College. The attendance was about 120 student and faculty members and non-teaching staff. The Principal, Dr. Tapan Kumar Parichha, pointed up the relevance of the seminar in this age of technology. He said that the goal of NAD is not only to impart accessibility power to the students but to save them from the hurdles of proving their bona fide candidature. The chief speaker, Dr. Pradip Kumar Roy, Deputy Controller of Examinations and Nodal Officer, NAD, The University of Burdwan, started his presentation by giving us a background idea about the project. He said that the government wants to go paperless to save the environment. NAD also saves time. UGC runs this project and BU website holds all NAD details, including the link for the official NAD website. DigiLocker is an inclusive depository system that safeguards students from losing important documents. Now students need not wait for convocation to get their certificates. Dr. Roy also offered hands-on training to students on how to search and download their academic credentials. A replica of a degree certificate was shown to the audience. He added that DigiLocker would contain all government-issued certificates in one place in the near future. It is now available as an app and has its own web-based version too. Students need to get their Aadhaar ID linked with mobile number to sign up. DigiLocker documents are on a par with the original ones. University certificates are to be found under the category of 'Education'. Candidates should keep this in mind that registration and roll number are needed for accessing certificates. NAD is not only useful for the regular students, but for those who take a break in between or want to change university following the multi-exit system. SWAYAM, an e-learning platform, offers more choices in this regard. Students can score 20-40 percent of their credits from SWAYAM. Teachers can also pursue courses on SWAYAM. It is hoped that digitalisation will make courses more dynamic. For now, only certificates, not mark-sheets, are available on DigiLocker. Google Meet option can be availed of and [nad@burunive.ac.in](mailto:nad@burunive.ac.in) is the official NAD mail address of the university. DigiLocker offers 2 GB of storage completely free of charge. Dr. Roy then assured the students that mother copies or hard copies would also be distributed along with the downloadable documents.

Question-answer session opened after the presentation followed by a brief discussion by Dr. Jagabandhu Nandi who said a few words about the vision of the government to make syllabi, entrance tests and grading system uniform throughout the country so that students can enjoy more flexibility. Finally, the Vote of Thanks was delivered by Prof. Kalan Mal, the current TCS of the college.

## 19<sup>TH</sup> TATASANKAR BANERJEE ENDOWMENT: A REPORT

The Department of History at Suri Vidyasagar College organized the 19th Tarasankar Banerjee Endowment Lecture on December 16, 2022 at Seminar Lecture Hall, Aurovindo Bhavan. Dr. Subhayu Bhattacharya from the Department of History, Visva-Bharati, delivered an insightful lecture on 'Western Science and Modern India: A Reciprocal Dependent Equation'. The event saw active participation (total 134) from various departments, alongside the History Department faculty.

The academic activity was divided into two main parts: the inaugural and memorial prize distribution session, followed by the technical session. The inaugural session was chaired by Dr. Amiya Ghosh, Head of the History Department. The session began with an inaugural address by Prof. Tapan Parichha, Principal of Suri Vidyasagar College. Prof. Nibedita Chakravorty delivered the welcome address, setting a warm and engaging tone for the event.

Following the opening remarks, the seminar coordinator, our young and energetic faculty member Dr. P.S. Mazumder, efficiently managed the flow of the event, ensuring a smooth transition between segments. During the memorial prize distribution, outstanding students were recognized for their academic achievements, adding a celebratory note to the proceedings.

In the technical session, Dr. Subhayu Bhattacharya's lecture delved into the intricate dynamics between Western science and modern India, exploring the theme of conventional dependence. The lecture was well-received, sparking a lively discussion among the attendees.

The event concluded with a vote of thanks delivered by Dr. Asim Chaudhuri, who expressed gratitude to all participants and contributors for making the lecture a success. The 19th Tarasankar Banerjee Endowment Lecture not only honoured the legacy of Tarasankar Banerjee but also fostered a rich academic dialogue, enriching the intellectual environment of Dept. of History, Suri Vidyasagar College.
