Dear Palchaudhuri,

It gives me great pleasure to offer you a Research Scholar position in the PhD programme at the National Centre for Biological Sciences (NCBS). Congratulations!

Research at NCBS covers the study of living systems at all scales, from molecules to cells, tissues, organisms and ecosystems. We pride ourselves on our strongly inter-disciplinary research, with theory, experiments and observations all playing a role in answering some of the most pressing questions in Biology. Our cutting-edge experimental research infrastructure and vibrant program of research, academics, conferences, and workshops, makes us a nationally and internationally renowned centre for conducting high quality research. NCBS is part of a campus, shared with the Institute for Stem Cell Science and Regenerative Medicine (DBT-InStem), Tata Institute for Genetics and Society (TIGS) and C-CAMP. This unique and dynamic environment provides every scholar the opportunity to explore multiple facets of research.

You are expected to join the GS programme on 01 August 2023 and will initially receive a fixed monthly fellowship of Rs. 21,000, enhanced to Rs. 31,000 after one year (which is raised to Rs. 35,000 after registration for Ph.D.). You are also eligible for an annual book grant of Rs.25,000/- for the first year and an annual contingency grant of Rs. 40,000/- from the second year onwards. The fellowship will be renewed every year, up to a maximum of 6 years, subject to satisfactory performance. You will also receive accommodation (or a housing rent allowance) as applicable. The other terms and conditions applicable to your admission as a Research Scholar are listed in Appendix.

You must send your acceptance by email to phd@ncbs.res.in by June 30, 2023. On hearing from you, we will send you additional information regarding joining formalities.

I do hope you choose to accept our offer. Those who join Integrated PhD stream at NCBS represent an outstanding group of students, who make a commitment to a 6-year research programme. If you wish to be counselled on the pros and cons of joining the Integrated PhD programme at NCBS, versus joining a traditional Master's degree at another institution elsewhere, please do not hesitate to contact me (rajladher@ncbs.res.in or phd@ncbs.res.in). My goal is to ensure you make the best possible choice at this critical stage of your research career. I would greatly appreciate your letting me know if you should choose to join elsewhere.

Best Wishes,

Raj Ladher
