ACTION SUGGESTION ANALYSIS AND ACTION TAKEN REPORT

(2018-2019)

Action Suggestion Analysis	Action Taken
93% students are satisfied with offline library facility. But it was not in digital form.	Library management system has been made fully digitalized. KOHA, an open-source library system has been installed so that students can search library books through computer.
7% students opined that sports facility is below average.	Various individual and team games trial have been more regularised to promote healthy competitive spirit among students. Students are encouraged to participate more in sports activities. Sports facility has been improved for the students.
28% students stated that canteen facility is not that much satisfactory.	Canteen vendor asked to give more emphasis on cleanliness and service quality. Some healthy food items are added to the canteen.
Very few students found that hostel facility is inadequate.	Hostel building is quite old and deteriorating in some places. Authority is trying to give facilities as much as possible.
Most of the respondents are satisfied with classroom facility.	Classroom facilities like chair, table and benches are gradually being repaired.
Only 6% students stated that common room facility is not satisfactory.	Attention is given to improve recreational facilities as far as possible.
