Resolutions of the IQAC meeting held on 25.08.2020

1. Resolutions of the previous meeting was read and confirmed
2. The departmental data for AQAR from the various departments could be procured by creating a google form and posting it in appropriate forum since due to the pandemic situation the college is closed.
3. The members of the IQAC were made aware of the technicality of hosting webinars. The respective IQAC members were requested to take initiative to inform all departments to arrange webinars to which IQAC could provide technical support if requested.
4. The IQAC was informed that in the webinar Photography as a successful tool for creating awareness and conservation of nature, organized by IQAC, Suri Vidyasagar College in collaboration with IQAC, Sambhu Nath College, Labpur and the Department Of Zoology, Suri Vidyasagar College, where the speaker would be Mr. Ripan Biswas, Wildlife Photographer of the Year (NHM, London 2019), a large number of participants are expected to attend the webinar.
5. The IQAC agrees that the Hon. Principal may issue a notice in appropriate platform requesting the various departments to organize webinars in collaboration with IQAC, in which the IQAC could provide technical assistance if requested.
6. The chairperson of IQAC, Hon. Principal suggested that proper protocol must be followed in case of National and International seminars and Webinar Advisory Committee has to be setup for the webinar.
7. In the miscellaneous section, the upcoming promotion cases were discussed and it was agreed that the incumbents could complete the paper works as far as practicable and after the college reopen, the promotion cases may be proceeded with as per existing rule.
8. The IQAC was made aware of the participation of the college in Swatch Bharat initiative clean campus ranking.

The meeting ended with thanks from the chair.

Resolutions of the IQAC meeting held on 07.09.2020

1. Resolutions of the previous meeting was read and confirmed
2. The IQAC was informed that after successful completion of the webinar Photography as a successful tool for creating awareness and conservation of nature, organized by IQAC, Suri Vidyasagar College in collaboration with IQAC, Sambhu Nath College, Labpur and the Department Of Zoology, Suri Vidyasagar College, where the speaker was Mr. Ripan Biswas, Wildlife Photographer of the Year (NHM, London 2019), a Chapter II of the same webinar is being organized where the speaker would be Mr. Mohan Thomas, Eminent wildlife expert. The IQAC was also collaborating with the NSS and NCC, Department of Physical Education and Political Science department to conduct webinars as well.
3. The proposal to create a web form in google forms to collect data for AQAR was implemented. The form turns out to be too complicated and proposals came to create several forms or to create sections of the same form and simplify it. In the end it was agreed that the form will be shared to all the members of the IQAC present and they will go through it to make necessary addition/alteration to simplify the same.
4. In the miscellaneous section, one of the members raised the issue regarding conduction of internal and other University examinations centrally. The matter was discussed.
5. In the miscellaneous sections one of the members raised the issue of creating a repository of e-learning database based on the cbcs syllabus by taking study materials from individual faculty members of the institution and create a central e-learning database which could be accessed publicly via the college website. The IQAC advises that a proposal regarding the same be submitted to the Principal to take up in relevant forum for necessary action.

The meeting ended with thanks from the chair.

ACTION SUGGESTION ANALYSIS AND ACTION TAKEN REPORT

(2020-2021)

Action Suggestion Analysis	Action Taken
This session was under lockdown period. There were some opportunities to improve in some areas.	Upgraded digital infrastructure to ensure robust online learning.
	College took opportunity to perform maintenance and upgrades on facilities to ensure they were in optimal condition upon reopening.
	Teachers took the online platform to help students cope with the stress and isolation caused by the lockdown.
	Sports equipment has been increased to facilitate students with improved sports infrastructure.
5% respondents found that computer/ ICT facilities are not available for ICT based teaching to the teachers.	Equipment is provided to increase ICT based facilities for different departments.
82% teachers believe that college provides adequate funding and support for maintenance of Laboratory equipment, computers, chemicals and specimen supplies.	Laboratory infrastructure has been improved in some science departments like Microbiology and Botany.
Respondents are highly satisfied that library is well maintained and accessible. Still there are areas that can be improved.	Digital Library Management System software have been upgraded to next advanced version.
	Books and Journals are increased in library collection to support the academic and research needs of the students and faculty.
